Dear Parents/Guardians,

Thank You

A huge thank you to all of the parents who completed questionnaires during parents' evening. Whilst they haven't all been fully collated yet, they are overwhelmingly positive and we thank you very much for your continued support and feedback. I will ensure that you see the summary of these as soon as it is available. Ideas and suggestions will be looked at and where possible, included in our School Improvement Plan to bring about even more improvement. If you didn't attend parents' evening but would like to complete a questionnaire, these are available from the school office.

Thank you also for giving us feedback as to whether or not you would like us to move to an electronic payment system for dinner money, trips etc. Governors were very keen to find out if this is something that parents wanted before deciding whether or not to move in this direction. The results of this will be taken to our next Governor's meeting and again, I will ensure that you have feedback.

As always, Easter bonnets and eggs were stunning this year. Thank you again for supporting your child's learning in this way.

We are trying to create an outdoor music area for the children. If you could donate any of the following, we would be very grateful:

Talent Competition

Sandwell MBC and Sandwell College are holding a talent competition for children aged 9-19 years across Sandwell. Auditions will take place on Saturday 18th April 2015 at Sandwell College. Successful acts will have their videos posted on YouTube for a public vote. The final will take place in June and there is a £500 prize. This should be a wonderful event and opportunity for children to showcase their talents. Apply online at www.sandwell.gov.uk/SHAPEEvents.

Accident Slips

This is to inform you that our accident slips will change shortly after the Easter holidays. They will contain the same information but will look slightly different.

With best wishes
