Preparing to Apply for Secondary School

Key Dates and Information

Applications:

- Open: **Mid-July 2026**
- Closes: **31 October 2026**
- Notification **1 March 2027**

Key Facts:

- It is **NOT** first come first served.
- Can (and should) apply for up to 6 places.
- Only applying for one school does not make it more likely that you will get a place there. It means that if you do not get a place at that school, the council will choose a school for you because you did not specify a second, third, fourth etc choice of school.
- Apply to the council you live in. This includes if you are applying for a school in a neighbouring borough.
- Only list a grammar school as a preference if your child has sat the entrance test (results in October 2026). Deadline to register 26 June 2026 4pm.
- **Form cannot be changed once submitted.**

How to Apply:

- Check the admissions policy for each school - available via each school's website (check policies section).
- Check if your child meets the criteria (for example: EHCP, siblings, distance).
- Not all schools offer sibling places and distance criteria varies. Look out for any additional requirements
- For example: Sandwell Academy, Shireland Collegiate Academy and West Bromwich Collegiate require your child to sit a non-verbal reasoning test after applications are submitted.
