## CHARGING AND REMISSIONS POLICY

### Introduction

The purpose of the policy is to ensure that there is clarity over those items that the school will provide free of charge and for those items where there may be a charge.

The policy has been informed by the 'DfE Guidance for Charging for School Activities 2018'.

### Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

### Definition

The school day is defined as: 8:50 am – 3:20pm. The midday break does not form part of the school day.

### Prohibition of Charges

The Governing Body of the School recognise that the legislation prohibits charges for the following:

- an admission application to any state funded school – paragraph 1.9 (n) of the 'School Admissions Code 2012' rules out requests for financial contributions as any part of the admissions process;
- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the national curriculum<sup>1</sup>, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school<sup>2</sup>.

(Extract from DfE Guidance For Charging For School Activities 2018)

<sup>1</sup> It should be noted that 'part of the national curriculum' is not restricted to learning outside the classroom experiences that are specifically subject based (e.g. geography or science fieldwork) and include, for example, activities designed to fulfil requirements under the national curriculum 'inclusion statement' (e.g. developing teamwork skills).

<sup>2</sup> However, if a pupil fails, without good reason, to meet any examination requirement for a syllabus, the fee can be recovered from the pupil's parents.

## Charges

Schools can charge for

- any materials, books, instruments, or equipment, where the child's parent wishes him/her to own them;
- optional extras;
- music and vocal tuition, in limited circumstances;
- certain early years provision<sup>3</sup>;
- community facilities<sup>4</sup>.

(Extract from DfE Guidance For Charging For School Activities 2018)

<sup>3</sup> The Education (Charges for Early Years Provision) Regulations 2012

<sup>4</sup> The powers to provide community facilities are under s.27(1) of the Education Act

## Optional Charges

Charges may be made for some activities that are known as 'optional extras'. Where an optional extra is being provided, a charge can be made for providing materials, books, instruments, or equipment. Optional extras are:

- education provided outside of school time that is not:
  - a) part of the national curriculum;
  - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school; or
  - c) part of religious education.
- examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school;
- transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing body have arranged for the pupil to be provided with education);
- board and lodging for a pupil on a residential visit;
- extended day services offered to pupils (for example breakfast club, after-school clubs, tea and supervised homework sessions).

## Calculating Charges

At Highfields, we believe in enhancing the children's education by arranging regular off-site visits to provide first-hand experiences for the children to support their learning. When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't or won't. Support for cases of hardship will come through School Funds and the use of Pupil Premium Funding.

Parents who would qualify for support are those who are currently or have ever been in receipt of Free School Meals.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents. School will endeavour to source venues and transport at the best possible prices in order to keep off-site education costs as low as possible. The breakdown of these costs will be shared with parents on each off-site letter.

## Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

## Voluntary Contributions

Parents will be invited to make a voluntary contribution for the following:

- a) trips that take place during school hours;
- b) trips that take place out of school hours but are part of the curriculum;
- c) visiting outside groups/agencies (e.g. visiting theatre groups) that support the school curriculum.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.
